

Creative Writing Workshops

Is your child reaching their full potential in writing?

Does your child dislike writing?

Our Creative Writing Workshops are designed to engage your child in 'writing for a purpose'!

Monday 9 July – Friday 13 July

9am-1pm or 2pm-6pm

Each day we will focus on a different genre:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Explanation	Narrative	Persuasive	Recount	Report

Each day your child will:

Use a creative stimulus

Explore the features of the genre

Plan their writing

Edit and up-level their writing

Peer and self-assess using a checklist

Most importantly, have fun and enjoy writing!

\$160 per child per day

Small class sizes to allow for personalised learning.

Places are limited. Call or email to secure your child's place.

Holiday Workshops

Are you looking for a stimulating environment where your child can extend their learning beyond the classroom?

Monday 16 July – Friday 20 July

9am-2pm

MONDAY

Poetry Soup

Children will engage in a Creative Writing Day where they will discover a message and a cauldron of 'Poetry Soup'. Using a second stimulus, they will plan and write a poem using the ingredients in the soup - rhyming words, imagery etc.

TUESDAY

Investigating Place Value

Using place value challenge cards, children will carry out a range of investigations. Place value is a core concept in maths and the challenges will be tailored to your child's personalised learning targets.

WEDNESDAY

Snack Art

Focusing on speaking and listening skills, children will plan, prepare and present their own 'Snack Art'. Before presenting, they will be encouraged to think about 'why?' and 'how?', developing their critical thinking.

THURSDAY

Ready, set, READ!

Rotating around a carousel of reading activities, children will explore 'The 7 Comprehension Strategies'. At each station, children will collect play money, which will be used in Friday's Workshop and exchanged for a prize.

FRIDAY

Money Madness

Children will roleplay 'real life' situations, from shopping to exchanging currency. These experiences will be differentiated and include: recognising coins, giving change, percentages of amounts and exchange rates.

Healthy snacks will be provided for morning tea, please pack your child a lunch. Weather permitting, we will go to the park for lunch (a 5 minute walk).
